7. Select the appropriate registration option.

Are you at a private computer that you will use regularly to access online banking? If so, we can register your browser for future access. If you are at a public computer, select 'Do Not Register Device' and this computer will not be registered.

Note: To register your computer, we will place a Secure Token in your browser. Your PC must be configured to accept 'cookies' from this site. The next time you log on, you will only need to enter your User ID and password.

8. Now you should be logged in and can view your accounts.
