SUMMER 2023

HEADQUARTERS REMODEL

We are excited to announce that our Headquarters branch has been newly remodeled to better suit the needs of our growing membership! We still have the great service you're used to, complemented by enhanced technology that better serves the changing landscape of modern banking.

We recently held a ribbon-cutting ceremony in the summer to celebrate the new space, complete with local business leaders, partners, government officials, and, of course, members like you. Please stop by to visit our reimagined branch located at 22745 Maple Road, Lexington Park, MD 20653. We'd love to show you around!

BRINGING HOPE TO A NEIGHBOR

On Saturday, April 22nd, more than a dozen Cedar Point volunteers had the privilege of sponsoring and working alongside Christmas in April to help a neighbor in need in Calvert County. Working from the motto of “many hands make light work”, volunteers (and about half a dozen chainsaws) were proud to bring new life to a home in our community.

Christmas in April is an organization

that helps revitalize the homes of neighbors in need. This year, Cedar Point proudly celebrated its 5th year helping community members revitalize their homes with Christmas in April chapters in St. Mary’s and Calvert Counties. Since 2018, Cedar Point has donated over \$34,000 to Christmas in April chapters!

Kristin Kauffman, head coordinator of this year’s project and Cedar

Point’s own Chief Marketing Officer, led this group of employees, family members, and friends (and a few others who aren’t pictured). “It brings our volunteers great satisfaction to see the results of all of our hard work at the end of the day,” said Kauffman. Cedar Point volunteers worked for hours to remove overgrown vines and chopped and removed a massive fallen tree for the homeowner.

The volunteers discovered hidden treasures beneath the vines, including a wheelbarrow, a children’s powered car, and even a full-sized boat. When the work was over, volunteers could see the loving care with which the garden was once tended. “It was like The Secret Garden,” said Kauffman. “Because with hard work and a bit of love, the beautiful garden revealed itself.”

Thank you to our employees for 5+ years of exceptional service!

CEDAR POINT SCHOLARSHIPS

In support of our mission of creating meaningful experiences within our community, Cedar Point offers scholarships to graduating seniors residing in Calvert, Charles, and St. Mary's counties. Every year hundreds of students apply for Cedar Point scholarships through the St. Mary's County Business, Education, and Community Alliance (BECA) Common Scholarship Application. This year's application pool was second-to-none, making the selection very difficult. The academic achievements and community involvement of these students are outstanding, and their willingness to give back to their local community and beyond US borders is truly inspiring. The finalists stood out in application and interview because of

their leadership roles in school, clubs, communities, volunteer work, and commitment to furthering their education. Congratulations to this year's scholarship recipients! We are honored to have such well-rounded recipients and look forward to the amazing things they will do.
