

If you are signed up for eStatements, they will be available for viewing within digital banking after you receive your notification through email at the beginning of the month. Statements that were generated prior to our Technology Upgrade are also available within digital banking but will be stored separately from statements you will receive after the upgrade. Below are guides to navigate to both new and historical eStatements.

How to find your new eStatements**Step 1: Navigate to the eStatement Portal**

On the home screen, go to the menu and choose services. Then choose the eStatements tile.

**Step 2: Select the accounts for which you want to view statements.**

All account suffixes associated with your digital banking account will be populated here. Please select which share ID you want to view the statement for. The statement will show all associated share IDs on the same statement.

Please choose a Share ID below to view the statements for all associated account shares
