

#### **Card Swap**

Page 1

CardSwap is a single spot where you can update your card on file wherever you pay. You can enroll your Cedar Point Federal Credit Union credit or debit card in CardSwap within Online Banking or the mobile app to easily update your recurring charges.

## Step 1: Navigate to Card Swap

• Select 'Services' from the main menu, then select the tile for Card Swap. This will open a new window, and you will be taken outside of online banking.

## Step 2: Begin Enrollment

• Select 'Get Started' to begin enrollment.

A single source to update the card used for your subscription and streaming services, eCommerce merchants, and more.	
To begin, simply head to the next page, select or search for the companies that you would like to update your card with, and login to link your accounts.
